Service Proposal & Pricing Structure

Prepared for: JTP Trading [East Bay] | Date: 10 August 2026 | Valid for: 15 days from issue

INTRODUCTION

Thank you for considering **SoftInnovatorz** for your web development and digital marketing needs. Below is a complete breakdown of the services we offer along with our pricing structure, timelines, and terms, from your initial website build all the way through to ongoing maintenance and marketing support.

All rates listed below are estimated starting prices and may vary based on final requirements, design complexity, and number of revisions. A detailed quote will be confirmed once your specific requirements are finalized.

1. STATIC WEBSITE (INFORMATIONAL)

A clean, responsive multi-page website ideal for businesses that want an online presence to showcase their services, portfolio, or contact information, with no online ordering functionality.

What's Included	Price (PKR)
Up to 6 pages (Home, About, Services, Gallery, Contact), mobile responsive, contact form	30000
Deployment on client server	5,000

2. DOMAIN REGISTRATION (FOR E-COMMERCE / BUSINESS SITES)

If required, we assist with domain name search, purchase, and initial DNS configuration on your behalf.

Service	Details	Price (PKR)
Domain Purchase Assistance	.com / .com.pk / other extensions, actual registrar cost plus handling	Actual cost of domain + 2,000
DNS & Email Setup	Pointing domain to hosting, basic email setup (e.g., info@yourdomain.com)	4,000

Hosting and SSL certificate costs (if not already available) are billed separately at actual cost.

3. DYNAMIC / E-COMMERCE WEBSITE WITH CMS

A fully functional online store or dynamic website built on a Content Management System (e.g., WordPress/WooCommerce or Shopify), giving you full control to manage products, orders, and content yourself.

What's Included	Price (PKR)
Up to 100 products,CMS admin panel, inventory management, order tracking	250,000
Deployment of E-Commerce Website	15,000

4. DATA UPLOAD SERVICE (CMS / E-COMMERCE CATALOG)

For clients who prefer we handle product data entry, including images, descriptions, prices, and categorization, into the CMS.

Package	Details	Price (PKR)
Per Product	Title, description, price, images, category tagging	80 / product
Bulk Package (100 products)	Discounted bundle rate for bulk catalog upload	7,000
Bulk Package (500 products)	Discounted bundle rate for large catalogs	25,000

5. DIGITAL MARKETING (FACEBOOK, INSTAGRAM & OTHER PLATFORMS)

Ongoing social media management and promotion to help grow your brand's reach and drive traffic/sales to your new website.

Package	What's Included	Price (PKR / month)
Basic	Account setup/optimization, content calendar, 8-10 posts/month, no ad spend management	20,000
Standard	Everything in Basic plus paid ad campaign setup and management (FB/Instagram Ads)	35,000
Premium	Everything in Standard plus reels/short-video content, analytics reporting, engagement management	55,000

Ad spend budget (amount paid directly to Facebook/Instagram for promotions) is separate from the management fee and set according to the client's budget.

6. POST-LAUNCH WEBSITE MAINTENANCE

Once your website goes live, ongoing maintenance ensures it stays secure, updated, and running smoothly.

Package	What's Included	Price (PKR / month)
Basic	Uptime monitoring, security patches, regular backups	5,000
Standard	Everything in Basic plus minor content updates (text/images), bug fixes	10,000
Premium	Everything in Standard plus priority support, small feature additions, monthly performance report	15,000

ESTIMATED TIMELINE

Deliverable	Estimated Duration
Static Informational Website	7 - 12 working days
Domain Purchase & Setup	2 - 3 working days
Dynamic / E-commerce Website with CMS	4 - 6 weeks (depending on scope)
Data Upload Service	Depends on catalog size, typically 3 - 10 working days
Marketing Setup (initial)	3 - 5 working days to go live, ongoing thereafter

PAYMENT TERMS

- **Static Website Development:** No advance payment will be required to initiate the website development. The complete payment will be paid 100% be due upon completion of the website and before final handover.
- **Website Deployment:** Deployment/live hosting will be charged separately and will be payable after the website is deployed to the live domain.
- **E-Commerce Development:** Work on the e-commerce product will begin after a **30% advance payment**. The remaining development amount will be payable upon completion of the e-commerce product and before the final handover.
- **E-Commerce Deployment:** Deployment of the e-commerce product to the live environment will be charged separately and payable before going live.
- **Marketing & Maintenance:** Marketing, maintenance, and other ongoing services are **optional add-ons** and are not included in the development or deployment charges.

These services will be billed separately based on the agreed scope and billing cycle.

- Any additional features, integrations, or requirements outside the agreed scope will be estimated and charged separately.

What's Included:

- Up to 2 rounds of design revisions

Basic on-page SEO setup

- Mobile-responsive design

1 month of free bug-fix support post-launch

Not Included (Billed Separately):

- Hosting & domain renewal costs (annual)

Paid advertising budget (FB/Instagram ad spend)

- Premium plugins/themes/stock images, if required

Extensive revisions beyond agreed scope

NOTES

- All prices are quoted in Pakistani Rupees (PKR) and are subject to change based on final project scope.

Website ownership (files, CMS access, and domain) is fully transferred to the client upon full and final payment.

- This proposal is valid for 15 days from the date of issue.

A formal invoice will be shared separately once the scope is finalized and agreed upon.
